A SERVICE-ORIENTED ORGANIZATION

WHAT DO WE DO?

We “bridge” the gap between Tulane students and the elderly communities in New Orleans through volunteering at the local nursing homes! During COVID-19, we are focusing on remote activities. Our events include:

- nail painting, bingo/board games, drawing/painting, etc.
- letter writing, talking on the phone

It is always greatly appreciated and loved by the residents, especially during this difficult time!

Please contact Reina Protzel, rprotzel@tulane.edu for more information!
