TULANE UNIVERSITY'S COMPUTER SCIENCE CLUB

COOKIES + CODE

We hope to help students interested in computer science and technology develop their interest, build up skills, and connect with the tech communities. We are a source for recruiting opportunities, teaching classes, and various tech-related speaker events. No technical background is required for attending our events.

PAST EVENTS
3D Printing
Intro to Data Scraping
Ethics of AI
Web Development

FUTURE EVENTS
Internship Panel
Build Your Own Tetris
Machine Learning
BATS/GiST
