Tulane FIMRC
MISSION STATEMENT

To provide access to medical care for underprivileged and medically underserved families around the world through focusing on access, education, and participation.

- Chapters contribute through their work to spread awareness, fundraising, and local service.
- The chaptership program currently consists of 45 active chapters across the globe.
VIRTUAL VOLUNTEERING

- **Cards for CHNOLA and hospice**
  - While we will not be able to volunteer at the hospital in person, like we normally do, we will be sending **colorful** and **creative** cards to the children’s hospital as well as hospice.
  - Volunteers will help **inspire** children and hospice patients and to help them cope with the hospital environment and medical procedures.
  - Great if you enjoy helping children in a creative way!
VIRTUAL VOLUNTEERING

- **LITTLE BROTHERS Friends of the Elderly**
  - Little Brothers gives us the opportunity to **help** the Elderly who are so often lonely.
  - We will be able to talk with the elderly over the phone and help them with **emotional support** and creating **lasting friendships** with them.
  - Volunteering is a great way to feel **vibrant**, **connected** and **engaged**.
  - Great if you want to help with the community.
VIRTUAL VOLUNTEERING

-Trinity Community Center Tutoring
  - Opportunity to help with struggling children in New Orleans
  - Volunteers will help tutor and run after-school programs
  - We will help to build a brighter future for youth and families in New Orleans
  - Good for volunteers who like children
VOLUNTEERING

CrescentCare

- Volunteers will support paid workers in comprehensive assistance for clients
- Volunteers will also assist in development and implementation of programs
- Volunteering here requires awareness and sensitivity when addressing issues with HIV/Aids and LGBTQ related issues
- A great place to volunteer for interest in areas of medical business, development, and LGBTQ+
POSSIBILITY FOR IN-PERSON VOLUNTEERING

- This semester, we are working towards doing a hybrid form of volunteering.
  - Those that are interested and feel comfortable volunteering in person will be given the opportunity to do so.
  - Currently, there are in-person tutoring opportunities and potential clinical work with Crescent Care.
LOOKING AHEAD

FIMRC provides **medical service trips** provided it would be safe and COVID free.

Clinic sites at various locations across the globe: Costa Rica, Dominican Republic, Ecuador, El Salvador, India, Nicaragua, Peru, Philippines, and Uganda.

Immersive experience

1. Physician shadowing
2. Holistic patient care - patient vitals
3. Pharmacy work
4. Soup kitchen
5. Health education
FUNDRAISING EVENTS

- Bake sales
- Online fundraising campaigns using Crowdfund and Wavestarter
WHERE DO OUR FUNDS GO?

All funds raised go directly towards FIMRC health clinics and to help fund specific projects

- Last semester we raised money for a latrine project in the Dominican Republic
